ParkerVision's Milo® Wi-Fi Product Expands to Small Businesses with Addition of New Sales Channel

March 20, 2018

JACKSONVILLE, Fla., March 20, 2018 (GLOBE NEWSWIRE) -- ParkerVision, Inc. (Nasdaq:PRKR) ("ParkerVision"), a developer and marketer of semiconductor technology solutions for wireless applications, is pleased to announce that Milo®, its distributed Wi-Fi system is now available for purchase on NeweggBusiness.com, an online retailer specializing in small business IT and office products.

Milo systems provide comprehensive Wi-Fi coverage for small offices by eliminating dead-zones and taking Wi-Fi beyond the coverage capability of traditional Wi-Fi routers. A Milo system can expand the coverage of any existing Wi-Fi router and provides a flexible offering of network configurations to match the application.

NeweggBusiness is the business-to-business division of Newegg, Inc., specializing in providing IT & office products across all industries. NeweggBusiness was formed in 2009 as an initiative to satisfy the growing needs of businesses, government, healthcare organizations, and educational institutions.

"We're excited to expand our sales channels to include NeweggBusiness," said John Stuckey, Chief Marketing Officer of ParkerVision. "The Milo product line inexpensively enables the business manager to expand their Wi-Fi footprint in order to provide their customers and employees with simple and reliable access to the network for internet access. It's a perfect solution for applications such as providing internet access for restaurant customers or supplying separate Wi-Fi networks for lobbies and waiting rooms."

About ParkerVision, Inc.

ParkerVision, Inc. designs, develops and markets its proprietary radio-frequency (RF) technologies, which enable advanced wireless solutions for current and next generation communications networks. ParkerVision also develops and markets a family of products under the Milo® brand that leverages existing Wi-Fi infrastructure to create more optimal Wi-Fi configuration and superior coverage for small businesses and consumers.
